# AeroStat® Cholangiography Catheter

## Easy Duct Access

*Retention cone eliminates problems traditionally associated with laparoscopic cholangiography, such as clipping, balloon purging and potential breakage.*

## Self-anchoring

*Soft 6F-20F expandable cone and 3F tapered rigid tip atraumatically engages and occludes the cystic duct, eliminating the need for clips or graspers.*

## One-handed Activation

*Ratcheting handle, with one-handed activation, makes placement fast and easy.*
