

**360° Wound Protection.**  
**360° Atraumatic Retraction.**

- ▶ Reduces the risk of wound infections <sup>1-5</sup>
- ▶ Maximizes exposure, minimizes incision size
- ▶ Offers ultimate versatility

# Alexis<sup>®</sup> O

Wound Protector/Retractor

# Alexis® O Wound Protector/Retractor

## Provides 360° Protection

- Significantly decreases wound infection <sup>1-5</sup>
- Allows visualization of wound margins
- Maintains moisture at the incision site <sup>4,5</sup>

## Provides 360° Atraumatic Retraction

- Distributes force evenly for optimal field of view
- Allows for maximum exposure with a minimum incision size

## Offers Ultimate Versatility

- Unique design facilitates rapid and effortless set-up
- Multiple sizes accommodate a wide range of surgeries

## 360° Protection, 360° Atraumatic Retraction

Designed for soft tissue retraction, the Alexis O wound retractor provides 360 degrees of atraumatic circumferential retraction and 360 degrees of protection. In addition to decreasing wound infections, the Alexis O retractor provides unparalleled exposure without the trauma associated with prolonged point retraction.

“The results of this study demonstrate that wound infection decreased significantly in the *With Alexis* retractor group.” <sup>5</sup>

| REORDER NO. | DESCRIPTION                        | SIZE               | QUANTITY |
|-------------|------------------------------------|--------------------|----------|
| C8401       | Alexis O wound protector/retractor | Small, 2.5 - 6cm   | 5/BOX    |
| C8402       | Alexis O wound protector/retractor | Medium, 5 - 9cm    | 5/BOX    |
| C8403       | Alexis O wound protector/retractor | Large, 9 - 14cm    | 5/BOX    |
| C8404       | Alexis O wound protector/retractor | X-Large, 11 - 17cm | 5/BOX    |
